How To Use This Index

The entries in this index refer to the index number of each clipping. The index number appears in the upper right hand corner of each clipping box. The following table indicates the months and their corresponding index numbers.

July	1-608	October	2031-2725
August	609-1264	November	2726-3543
September	1265-2030	December	3544-4165

This index is divided into four parts: 1) Country, 2) International Organization, 3) Personal Name, and 4) Byline.

Country Index: Under each country heading there is a series of subheads in alphabetical order. The following subheads are standard throughout the index:

- Armed Forces: branches of the country's military and police.
- Bases: military bases.
- Books:
- Calamities: natural disasters such as earthquakes, floods, famine, drought.
- Cartoons
- Concessions and Mines: mines within the country for which concessions or service contracts have been granted.
- Conferences and Meetings
- Corporations: all corporations and banks (domestic public and private, and foreign private) operating in the country.
- Domestic Unrest: indicators of domestic unrest, including extra-parliamentary organized political opposition such as guerrilla actions (kidnapings, robberies), demonstrations, riots and exile invasions.
- Economy: economic indicators such as per capita income, unemployment, GNP, prices and wages, and salaries.
- Editorials
- Educational and Cultural Institutions: the educational and cultural institutions (domestic and foreign, public and private) operating within the country.
- Elections and Politics
- Energy and Energy Crisis
- Ethnic and Racial Groups
- Foreign Investment
- Foreign Relations: all formal and informal relations between governments of two countries (including non-recognition).
- Foundations: those foundations (domestic and foreign) operating in the country.
- Geography: geographic features.
- Geographic Locations: cities, rivers, ports, etc.
- Government Agencies: domestic government agencies, including presidency, ministries and congress.
- Hijackings
- History and Antiquities
- Industries, Services and Commodities
- International Lending and Trade Organizations: international, government-sponsored aid and trade organizations operating in the country.
- Labor and Labor Organizations: labor unions and labor federations (domestic and international) operating within the country. Also listed are activities of these organizations, such as strikes.
- Laws and Decrees
- Loans, Credits and Bonds
- Maps
- Mass Media
- Nationalizations
- Political and Civil Rights: indicators of political and civil rights such as press freedom, political asylum and political prisoners.
- Political Parties and Movements: political parties, organizations and movements (domestic and international) operating in the country.

- Political Status: administrative status or movements involving that status (e.g., commonwealth, statehood, independence).
- Population: including birth control.
- Prisons
- Professional and Business Organizations: trade and professional organizations (domestic and international) operating within the country.
- Relief and Humanitarian Organizations
- Religions and Religious Organizations
- Roads, Highways and Bridges
- Social Conditions: indicators of social welfare conditions in the country such as health, housing, poverty.
- Social Groups and Classes
- Taxes and Tariffs
- Trade: listing of those nations with which the country trades.
- Treaties and Agreements: the treaties and agreements to which the country is a signatory or which affect the country.
- Water, Irrigation and Dams
- Women

Note: Other non-profit organizations (such as Boy Scouts) not included above are listed alphabetically by name under the country.

In addition to the individual country headings there are also five regional headings which are listed alphabetically among the countries: Andean Bloc, Caribbean, Commonwealth Caribbean, Central America and Latin America.

International Organization Index: Under this index are listed by name private and public organizations operating in Latin America which are based outside Latin America or whose operations are not clearly associated with or limited to one Latin American country.

Personal Name Index: Under this index are listed by name persons (Latin American and foreign) about whom significant information is provided.

Byline Index: Under this index are listed by name the authors of articles contained in the clipping service.
